CUBOREE STAFFING

We are a volunteer organization! Cuboree is organized as a co-operative venture among the participating Packs from our District. Each Pack is expected to provide leaders to prepare and run events (one leader per each 10 registered participants). District event committee will provide planning, organization, and supplies.

CAMPING AND PARKING

All cars will be parked in the main parking lot. Due to limited parking space, carpooling is encouraged. **THERE IS NO PARKING ALLOWED AT THE CAMPSITES. NO RIDERS IN THE BED OF TRUCKS OR TRAILERS.**

Camping will be by Pack and in an assigned campsite. Due to the size and participation in this event, it will be necessary for packs to share a campsite. Please refrain from roping off your camping area.

Tent camping only, no campers or RV's will be allowed in the camp. Each unit is responsible for their own meals. Please be sure to bring carrying containers for water.

Use of gas stoves and charcoal should follow BSA policies and guidelines.

Bring your own **TOILET PAPER AND TRASH BAGS.**

IMPORTANT — EVENT POLICIES

EACH SCOUT MUST HAVE A RESPONSIBLE ADULT FAMILY MEMBER OR GUARDIAN ACCOMPANY THEM TO CUBOREE ACCORDING TO THE BSA GUIDELINES.

Radios, boom boxes, bicycles, two-way radios, guns, fireworks, fixed blade knives, axes, hatchets, chain saws, **PETS**, and alcoholic beverages are NOT allowed. Basically, anything that could be a safety concern for our participants or a nuisance to others should NOT be brought to this event. All BSA and Circle Ten Council campground policies must be followed. Smoking is not permitted in the camp. If you must smoke, please use your personal vehicle in the parking lot.

Campfires are only permitted in established fire rings. Units may NOT dig new fire pits. Be sure all campfires are completely out (no heat/embers) before leaving the campsite for activities, retiring for the night, and before you check out on Sunday. A fire check will be made and you will be asked to extinguish the fire if no one is tending it.

Be prepared for adverse weather.
